Description

15" Norton Durite Floor Sanding Screen Discs 150 Grit feature 100% silicon carbide grain bonded to an inter-woven polyester knit backing to provide increased durability and life. Full resin bond provides excellent grain retention. The Norton BETTER tier represents superior performing products for the user who requires a high level of productivity and low total abrasive cost.

manufacturer part#: 20509

UPC#: 662611205092

Product details:

- Grit: 150
- Disc diameter: 15 in
- Screen: Q421
- Abrasive material: Silicon Carbide
- Backing material: Polyester Knit
- Used for final sanding to blend sanding marks from edger and belt/drum sander
- Used to abrade between coats of certain finishes
- Always use a screen driver pad to prevent screen slippage and to maximize performance
- Sizes available to fit edger as well as 3 disc sanding machines
