Description

Norton Self Stick 5" Sanding Disc 60 Grit is a light-weight paper disc that offers unrivaled durability and value for dry finishing. Made with P-graded aluminum oxide abrasive for increased life, fast cut rate, and consistent finish. No-Fil steared for reduced loading. Heavy-duty C-weight backing provides edge-tear resistance and durability.

manufacturer part#: 49831

UPC#: 662611498319

quantity: 100 discs/package

Benefits:

- Tear resistant
- Superior Bond
- More Flexible
- Easier disc removal
- Achieves a more consistent, uniform scratch pattern
- Extends Sand Life
- Eliminates the risk of color transfer
- Creates a much stronger bond
