manufacturer part# 83310000

packaging: 11.5 oz metal can

Precaution

Do not use over shellac, lacquer or stains containing wax or stearates.

Surface Preparation

- Sand old, worn, or damaged area until surface is dull. Be sure to feather edge the sanding to avoid lap-marks.
- Remove all dust with a cloth dampened with mineral spirits and allow to dry.

Application

- Shake can vigorously for one minute after pellets are loose in can.
- Hold can vertically approximately 12 inches from surface.
- Move can evenly across surface with slightly overlapping strokes. NOTE: Apply in thin uniform coats.
- Let dry at least 12 hours before subjecting to traffic.

Clean-Up

Mineral Spirits

Storage

CONTENTS UNDER PRESSURE. Avoid prolonged exposure to sunlight or heat from other sources that may cause bursting. Do not store

above 1200F.
