

# PALLMANN HARDWOOD FLOOR CLEANER

## Commercial Concentrate

PALLMANN® HARDWOOD FLOOR CLEANER CONCENTRATE is a non-toxic, streak-free pH neutral formula for daily cleaning and maintenance of residential and commercial no-wax wood floor finishes including oil modified and waterborne polyurethanes and factory prefinished floor products. PALLMANN Hardwood Floor Cleaner is also recommended for daily maintenance of PALLMANN Magic Oil wood floor finish.

### Features

- Easy to dilute, 1 gallon of concentrate makes 8 gallons of "ready to use" cleaner
- Fully compatible for use on Pallmann Magic Oil 2K finish
- Exclusive neutral pH waterbased streak-free formula
- Great for daily cleaning of waterborne, solvent polyurethane and Swedish finishes
- No caustic or abrasive ingredients
- Fresh lemon scent
- Residential and commercial use

### Recommended Dilution Ratio

Mix 1 part concentrate with 7 parts clean, cool water.

1. To make 1 gallon of Ready-to-Use Cleaner: Mix 16 ozs. of concentrate with 112 ozs. water in a gallon container.
2. To make 1 quart of Ready-to-Use cleaner: Mix 4 ozs. of concentrate with 28 ozs. of water in a 32 oz. spray bottle.

### Directions for Use

1. Sweep, dust mop or vacuum before cleaning with PALLMANN Hardwood Floor Cleaner.
2. Spray or mist a 4' X 6' area of your floor with the diluted cleaner and wipe with a pre-dampened microfiber mop. Wetting the mop helps loosen dirt on the floor surface and quickens the cleaning process. It is recommended to rinse your mop as it gets soiled during the cleaning process to avoid leaving a muddy residue behind.
3. To clean, simply move the mop back and forth. For stubborn spots, sticky spills and shoe marks, spray cleaner directly on the soiled area and wipe with a clean cloth or mop pad by hand if necessary.
4. For large areas, mix PALLMANN Hardwood Floor Cleaner Concentrate in a commercial mop bucket at the recommended dilution ration (1:7).

### Technical Data

Packaging: 1 US plastic gallon makes 8 gallons of "ready-to-use" hardwood floor cleaner  
 VOC: Zero  
 Scent: Fresh lemon scent  
 Cleaning Tools: Microfiber mop or lint-free cloth

### Precautions

PALLMANN Hardwood Floor Cleaner is for use only on unwaxed surfaces including waterborne and solvent-based polyurethane and Swedish floor finishes. Do not apply undiluted concentrate directly to any floor finish; this may result in an undesirable visual effect of the finish surface. KEEP OUT OF REACH OF CHILDREN, MAY CAUSE GASTROINTESTINAL IRRITATION IF SWALLOWED. DRINK 1 OR 2 CLASSES OF WATER TO DILUTE.
