Description

American Sanders B-2 Edger is the professional flooring contractor's choice for 60 years. This floor edger offers a 3200 RPM setting for fast aggressive cutting and a 2800 RPM setting for greater precision. With a new dust pipe design that allows the American Sander B-2 Edger to be attached directly to a vacuum, as well as a new and innovative quick release bag design, this edger will remain the professional's preferred machine.

manufacturer part# 07127A
